# About This Pack

These color-by-code sheets are a fun and effective way to help your students learn and practice words with the phoneme /k/, graphemes c, k, ck, ch, cc.

This pack includes 20 sheets (and the answer keys) split into four sets of words. Each set consists of 5 color-by-code sheets. There are two types of sheets. The first is where students read the words and use the code to color in each section (Sets 1 - 2). The second is where students use the code to color each word according to how the phoneme /k/ is spelled (Sets 3 - 4).

The following table lists the graphemes focused on in each set and the number of syllables for the words used. In addition, each set of sheets includes a word overview page that provides a list of all the words used. Click on the set number to be taken to the specific color-by-code sheets.

Set	Sheets	Graphemes	Syllables
1	1 - 5	c, k, ck, ch	Single-syllable words
2	6 - 10	c, k, ck, ch, cc	Multisyllabic words
3	11 - 15	c, k, ck, ch	Single-syllable words
4	16 - 20	c, k, ck, ch, cc	Multisyllabic words

The color-by-code pages are perfect for:

- Morning work
- Independent practice in class
- Review and intervention
- Word work
- Home practice or homework
- Literacy centers and small group work
- Early finishers
